

THANK YOU
FOR JOINING US

at **DONGYANG'S**
HEAD & FOOT SPA

*... a journey of physical relaxation
and body & mind nourishment.*

We are committed to your well-being and
look forward to taking care of you on this
journey of self-discovery and renewal.

Dongyang's "Eastern Sun" Experience

... an Asian holistic philosophy, Dongyang's Spa views the body as an interconnected whole joining the physical, the muscular, and the sensory elements that give us life.

At Dongyang's, our focus connects the head and feet representing the beginning and the end, as the fundamental elements of connection to the body.

*By improving full-body circulation, easing stress, and promoting nervous system balance, we hope you feel physically and emotionally **REJUVENATED** in our nourishment of your body, mind, and soul.*
